We are now scheduling work teams through the rest of this year and into 2011. We can accommodate teams up to 12 members at this time. If you are interested, please contact the MWOA office. We ask that the volunteers be in good health, have all shots, have a strong work ethic, good spirited, willing to endure rough conditions, and be a team player. We are not able to take anyone under the age of 18. The cost will be \$30 a day per person for expenses (food, fuel, water, housing, etc.) plus your airfare and insurance cost. Airfare cost varies depending on your departure city. Also, at this time each group will need to bring their own cook to prepare the team's meals.

Trip cost includes airfare, food, lodging, insurance and transportation.

*Airfare departures from Atlanta, GA unless otherwise noted.

*Prices are subject to change.
